

Supervision of children on outings and visits

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Children must be kept safe while on outings.

Policy statement

Children benefit from being taken outside of the premises on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. We ensure that there are procedures to keep children safe on outings; all staff are aware of and follow the procedures as laid out below.

Procedures

- All off site activity has a clearly identified educational purpose with specific learning and development outcomes.
- There is a designated lead for each excursion who is clear about their responsibility as designated lead.
- We ask parents to sign a general consent on registration for their children to be taken out on local short outings as a part of the daily activities of the setting.
- We assess the risks for each local venue used
- We always ask parents to sign specific consent forms before major outings; and the risks are assessed before the outing takes place.
- The manager and lead staff taking part in the outing sign off every risk assessment.
- Children with allergies or other specific needs have a separate risk assessment completed i.e. child with allergies visiting a supermarket.
- An excursion will not go ahead if concerns are raised about its viability at any point.
- Any written outing risk assessments are made available for parents to see.
- Our adult to child ratio is high, normally one adult to two children, depending on their age, sensibility and the type of venue, as well as how it is to be reached.
- A minimum of two staff accompany children on outings. Unless the whole setting is on an outing, a minimum of two staff also remain behind with the rest of the children.
- Staff frequently count their designated children and ensure hands are held when on the street and crossing the road.
- Parents who accompany us on outings are responsible for their own child only.
- Outings are recorded in an outings record folder kept in the setting, stating:
 - The date and time of the outing.
 - The venue and mode of transport used.

- The directions
 - First aiders and emergency contacts
 - The names of the staff members assigned
 - The time of return.
- we take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothing and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long they will be out for. we apply sun cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.
 - we take a list of children with us
 - we provide children with badges or 'high viz' vests to wear that contain the name and setting telephone number – but not the name of the child.
 - Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.
 - we ensure that seat belts are worn whilst travelling in vehicles and that booster seats and child safety seats are used as appropriate to the age of the child.
 - As a precaution, we ensure that children do not eat when travelling in vehicles.
 - we ensure that contracted drivers are from reputable companies, do not have unsupervised access to the children and are not included in the ratios.
